News Release– Time is Money -Your Solution to Payroll Data Management

Fresno, Calif., November 1, 2013 - Orange Enterprises’ Payroll Employee Tracking - PET Tiger provides improved payroll data management with a variety of devices.

As your operation grows - How do you implement a labor force management application?

You position the PET Tiger system on your side, as well as the PET Tiger team of experts!

We will design and tailor fit the application to meet the specific needs of your business. We will recommend which devices work best in each department; we will adopt your policies into the system and create your data collection as well as your compensation rules.

We will keep you at all times in compliance with local, state and federal regulations. We will integrate your PET Tiger system into Famous Software. Our skilled software engineers will provide support for all phases of the project – from design through creation of the data base and code adjustment to implementation. We will carry the installation, training and the on-going support.

We will assist you with any question on the phone, on-site and be with you on your computer screen in less than a minute. We have accumulated a vast amount of experience – working with thousands of Ag operations since 1984.

The benefit in deploying PET Tiger and the return on investment is immense – to maintain your operation and grow your business as well as to keep you on solid legal footing is a must! Engage with PET Tiger today’s to meet these challenging economic times!

Orange Enterprises, Inc. incorporates the newest mobile technology into today’s payroll accounting software giving its user a seamless, paperless and wireless labor tracking solution.
